

Heavenly Father,

This day we stand together, your people of this region.

Forgive us for not reflecting you well and being the Church, you've desired.

We need more of you.

We need your help.

Today we turn our hearts and minds toward Jesus.

Create in us clean hearts and renew our minds we ask.

We believe You have great plans for us and this region.

Release dreams and vision in us today.

Release over us boldness, courage, and wisdom.

Help us Holy Spirit to bring heaven to earth.

Jesus be glorified throughout our region.

We commit to speak well of one another.

We commit to act generously towards one another.

We commit to build together.

We commit to take responsibility for our region.

Thank you for choosing me.

Thank you for choosing us.

Release over us your presence, your favour, and your miraculous hand.

God be glorified in us and throughout our region.

We pray in the Name of Jesus.

Amen
